

Dear Sir/Madame,

The Ngemba Association of Atlanta, Georgia would be highly honored to have you as a special guest at its forthcoming fundraising gala which seeks to enhance healthcare in rural areas in Bamenda through community health centers by providing life-saving supplies and equipment. **Your donation will be tax deductible. Ngemba Atlanta is a 501c(3) not for profit organization, registered in the State of Georgia.**

Date/Time: April 29, 2023; 8 p.m.

Venue: 3520 Breckinridge Blvd #106, Duluth, GA 30096

Access to affordable healthcare continues to be a major problem in most parts of Bamenda, especially in rural areas. The number of deaths and the suffering caused by easily preventable diseases and cheaply manageable health conditions is heart-breaking. The good news is that we can work together to ameliorate the situation. Our goal is to help scale up treatments that are known to prevent or cure common health conditions. Doing so would help alleviate untold suffering; however, we cannot achieve our goal without your support. Funds raised from this initiative will be used to provide well care and professional development training for staff and to equip community health centers with preventive healthcare supplies such as blood pressure cuffs, thermometers, blood sugar monitors, diabetic test strips, and other much-needed equipment.

Your presence and support would be highly appreciated and would help bring hope and put smiles on thousands of faces. Nothing is too small. We understand the date may be inconvenient for you and that you might be unavailable. If so, kindly consider sending your financial support in the enclosed addressed envelope. Feel free to donate by cashApp, Venmo, or Zelle. Please include your name and return address, so we can acknowledge your kind gesture. Here are additional ways of sending your donation to us:

- Venmo: [@Ngemba-CulturalAssociation](#)
- Zelle: info@ngemba.org Made to Ngemba Cultural Association
